

Trodelvy[®] (sacituzumab govitecan-hziy) Density and Specific Gravity

This document is in response to your unsolicited request for information regarding the density and specific gravity of Trodelvy[®] (sacituzumab govitecan-hziy [SG]).

Some data may be outside of the US FDA-approved Prescribing Information. In providing this data, Gilead Sciences, Inc. is not making any representation as to its clinical relevance or to the use of any Gilead product(s). For information about the approved conditions of use of any Gilead drug product, please consult the FDA approved prescribing information.

The full indication, important safety information, and boxed warnings for neutropenia and diarrhea are available at:

www.gilead.com/-/media/files/pdfs/medicines/oncology/trodelvy/trodelvy_pi.

Density¹

During the manufacturing process, SG is provided as a frozen aqueous solution which is thawed prior to lyophilization. The density of the SG solution prior to lyophilization is 1.0057 g/mL.

The density of the reconstituted SG (reconstituted with 0.9% sodium chloride) at 20°C is 1.012 g/mL. The density of the 0.9% sodium chloride diluent used for reconstitution at 20°C is 1.005 g/mL.

Specific Gravity

Gilead is unable to provide information pertaining to the specific gravity of SG.

Please refer to and follow institutional guidelines when considering use of formulas or calculations.

Gilead Pharmacovigilance and Epidemiology ☎ 1-800-445-3235, option 3 or 🌐 <https://www.gilead.com/utility/contact/report-an-adverse-event>

FDA MedWatch Program by ☎ 1-800-FDA-1088 or ✉ MedWatch, FDA, 5600 Fishers Ln, Rockville, MD 20852 or 🌐 www.accessdata.fda.gov/scripts/medwatch

Data Privacy

The Medical Information service at Gilead Sciences may collect, store and use your personal information to provide a response to your medical request. We may share your information with other Gilead Sciences colleagues to ensure that your request is addressed appropriately. If you report an adverse event or concern about the quality of a Gilead or Kite product, we will need to use the information you have given us in order to meet our regulatory requirements in relation to the safety of our medicines.

It may be necessary for us to share your information with Gilead's affiliates, business partners, service providers and regulatory authorities located in countries besides your own. Gilead Sciences has implemented measures to protect the personal information you provide. Please see the Gilead Privacy Statement (www.gilead.com/privacy-statements) for more information about how Gilead handles your personal information and your rights. If you have any further questions about the use of your personal information, please contact gilead.privacy@gilead.com.
