Gilead Sciences, Inc. is providing this document to you, a US Healthcare Professional, in response to your unsolicited request for medical information.

GILEAD | Medical Information

Veklury® (remdesivir)
Osmolality of the Final Solution

This document is in response to your request for information regarding the osmolality of the final solution of Veklury® (remdesivir [RDV]).

Some data may be outside of the US FDA-approved prescribing information. In providing this data, Gilead Sciences, Inc. is not making any representation as to its clinical relevance or to the use of any Gilead product(s). For information about the approved conditions of use of any Gilead drug product, please consult the FDA-approved prescribing information.

The full indication, important safety information, and boxed warnings are available at: www.gilead.com/-/media/files/pdfs/medicines/covid-19/veklury/veklury_pi.

Osmolality of the Final Solution of RDV[1]

The resulting osmolality of RDV diluted into 0.9% sodium chloride is presented in Table 1.

Table 1. Osmolality of the Final Solution of RDV[1]

Formulation	RDV Dose	Final Diluted Volume[a]	Osmolality[b]
Veklury for injection, 100mg, lyophilized powder	100 mg	100 mL	318 mOsm/kg
		250 mL	299 mOsm/kg
	200 mg	100 mL	352 mOsm/kg
		250 mL	314 mOsm/kg

[a]The final diluted volume is per the recommended preparation instructions for adults.
[b]Overall average of osmolality from measurements using freezing point osmometer.

Data Privacy

The Medical Information service at Gilead Sciences may collect, store, and use your personal information to provide a response to your medical request. We may share your information with other Gilead Sciences colleagues to ensure that your request is addressed appropriately. If you report an adverse event or concern about the quality of a Gilead or Kite product, we will need to use the information you have given us in order to meet our regulatory requirements in relation to the safety of our medicines.

It may be necessary for us to share your information with Gilead's affiliates, business partners, service providers, and regulatory authorities located in countries besides your own. Gilead Sciences has implemented measures to protect the personal information you provide. Please see the Gilead Privacy Statement (www.gilead.com/privacy-statements) for more information about how Gilead handles your personal information and your rights. If you have any further questions about the use of your personal information, please contact gilead.privacy@gilead.com.
