

Zydelig[®] (idelalisib) Crushing or Splitting Tablets

This document is in response to your request for information regarding Zydelig[®] (idelalisib) and crushing or splitting of tablets.

Some data may be outside of the US FDA-approved prescribing information. In providing this data, Gilead Sciences, Inc. is not making any representation as to its clinical relevance or to the use of any Gilead product(s). For information about the approved conditions of use of any Gilead drug product, please consult the FDA-approved prescribing information.

The full indication, important safety information, and boxed warnings are available at: www.gilead.com/-/media/files/pdfs/medicines/oncology/zydelig/zydelig_pi.

Product Labeling¹

Idelalisib tablets should be swallowed whole.

Idelalisib has pH-dependent aqueous solubility ranging from <0.1 mg/mL at pH 5 to 7 to >1 mg/mL at pH 2 under ambient conditions.

Available Data on Crushing or Splitting of Idelalisib Tablets

Gilead Data

Crushing idelalisib tablets into a liquid medium has not been studied and is not recommended. Currently, there are no studies evaluating the pharmacokinetics (eg, oral bioavailability) of a crushed idelalisib tablet dispersed into a liquid medium (eg, milk, water, juice) compared with a whole tablet.

Similarly, splitting idelalisib tablets has not been studied, and it is not recommended. Currently, there are no studies evaluating the pharmacokinetics of a split tablet vs a whole tablet.

Non-Gilead Data

A literature search was conducted in Ovid MEDLINE and Embase databases for studies published up to February 18, 2026, using the search terms of Zydelig, idelalisib, cutting, crushing, splitting tablets, and related search terms. No relevant citations were found.

Data Privacy

The Medical Information service at Gilead Sciences may collect, store, and use your personal information to provide a response to your medical request. We may share your information with other Gilead Sciences colleagues to ensure that your request is addressed appropriately. If you report an adverse event or concern about the quality of a Gilead or Kite product, we will need to use the information you have given us in order to meet our regulatory requirements in relation to the safety of our medicines.

It may be necessary for us to share your information with Gilead's affiliates, business partners, service providers, and regulatory authorities located in countries besides your own. Gilead Sciences has implemented measures to protect the personal information you provide. Please see the Gilead Privacy Statement (www.gilead.com/privacy-statements) for more information about how Gilead handles your personal information and your rights. If you have any further questions about the use of your personal information, please contact gilead.privacy@gilead.com.
